The Employer recognizes the Union as the sole and exclusive representative for all employees of the Employer in the job classifications set forth in Appendix A of this Agreement and excluding all confidential employees, supervisors and managers.

Section 1.2 Union Membership:

The Employer does not object to Union membership by its employees, and believes that certain benefits may inure from such membership. For the purpose of this Section, an employee shall be considered to be a member of the Union if he/she timely tenders the dues and initiation fee required as a condition of membership.

Within five (5) days of an employee's hire the Employer will grant the Union an opportunity to present the benefits of Union membership, at which time the Union may give such employees a copy of this agreement.

Section 1.3 Dues Check-off:

The Employer shall honor employees' individually authorized deduction forms, and shall make such deductions in the amounts certified by the Union for union dues, assessments, and fees; and PEOPLE contributions. Authorized deductions shall be irrevocable except in accordance with the terms under which an employee voluntarily authorized said deductions. The Employer shall forward such amount to the Union within thirty (30) calendar days after close of the pay period for which the deductions are made. The amounts deducted shall be set by the Union. Should the payroll system become capable of further deductions, the Employer agrees to cooperate with reasonable requests for additional deductions. In addition to the current deductions presently being made, the County shall provide check off for P.E.O.P.L.E. and the Union sponsored dental plan. The deductions shall be remitted to the Union along with a list including the name, address, social security number, each bargaining unit employee's salary, and amount of deduction for each employee.

Section 1.4 New Employee Orientation:

The Union shall be notified of New Employee Orientation (NEO) sessions conducted by the County. The County shall provide the Union with a minimum of one week's notice of the session. If the new members of a Union bargaining unit attend the NEO session, the Union will be permitted up to one (1) hour during the NEO session to acquaint them with the collective bargaining agreement and the Union's role in administering it. This time will normally be scheduled at the end of the session, unless mutually agreed otherwise.

Attendance during this phase of the NEO session will be without loss of pay.

The Union shall have the right to conduct union orientation for each new bargaining unit employee (and for bargaining unit employee's first two weeks of employment in the bargaining unit or new position covered by a different local union at a time mutually agreeable to the parties, unless the Employer is conducting a new employee orientation within 2 weeks of the new employee's date of hire.

Section 1.5 Indemnification:

The Union shall indemnify and save the Employer harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the Employer for the purpose of complying with any provisions of this Agreement. If any incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

ARTICLE II **EMPLOYER AUTHORITY**

Section 2.1 Employer Rights:

The Employer, on its own behalf and on behalf of its electors, hereby retains and reserves unto itself without limitation all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and Constitution of the State of Illinois and of the United States, any resolution passed by County elected officials, and any rules and regulations of the Court. The Union recognizes that the Employer has the full authority and responsibility for directing its operations and determining policy. Further, all rights which ordinarily vest in and are exercised by employers are reserved to and remain vested in the Employer, including but without limiting the generality of the foregoing the right (a) to manage its affairs efficiently and economically, including the determination of quantity and quality of services to be rendered, the control of materials, equipment to be used, and the discontinuance of any services, material or methods of operation; (b) to introduce new equipment, methods or processes; change or eliminate existing equipment, and institute technological changes and where practicable to train existing employees on new equipment; and to decide on materials, supplies, and equipment to be purchased; (c) to determine the number, location and type of facilities and installations; (d) to determine the size of the work force and increase or decrease its size; (e) to

The Union recognizes that this Agreement does not empower the Employer to do anything that it is prohibited from doing by law.

ARTICLE III
HOURS OF WORK

Section 3.1 Regular Work Periods:

The workday shall commence from the employee's scheduled starting time. The normal workday shall be eight (8) consecutive hours, including a lunch period. If an employee cannot report to work as scheduled, the employee must notify the supervisor/designee prior to his/her scheduled reporting time. The time for notification shall be determined by management, but in no case shall exceed two (2) hours.

- A. For the Office of the Public Defender, the workweek shall begin at 12:00 a.m. Sunday and end at 11:59 p.m. the following Saturday. The normal workweek consists of five (5) consecutive workdays, Monday through Friday except those investigators assigned to Holiday Court and in other situations dictated by courts or client's needs. An employee will be docked for all time not worked during his/her regularly scheduled work day, subject to Section 3.7 of this Article.
- B. For the Office of the Medical Examiner there shall be no rotation of shifts as a systematic practice; however, the Employer retains the right to assign employees to shifts consistent with operational needs.
- C. For the Office of the Medical Examiner, the workweek shall begin at 12:00 a.m. Sunday and end at 11:59 p.m. the following Saturday. The Employer agrees to provide employees with at least thirty (30) days' notice prior to any change in schedule except in the case of an unanticipated operational need. An employee will be docked for all time not worked during his/her regularly scheduled work day, subject to Section 3.7 of this Article.
- D. For the Office of the Medical Examiner, employees shall work one of three shifts:
 - a First Shift - 7:00 a.m. to 3:00 p.m.

- b Second Shift - 3: 00 p.m. to 11: 00 p.m.
- c Third Shift - 11: 00 p.m. to 7:00 a.m.

Section 3.2 Flextime:

Requests by employees for flextime schedules shall be granted where practicable to do so. The scheduling of flextime shall be by mutual arrangement between the employee and his/her supervisor. The Employer recognizes its obligation under the Illinois Public Labor Relations Act to negotiate over any changes in the conditions of employment from actions taken pursuant to the Judiciary's constitutional authority.

Section 3.3 Chief Judge - Constitutional Authority:

This Agreement recognizes that the Chief Judge is empowered by the Constitution of the State of Illinois to set the times and places of holding court and to order extended court hours when necessary. It is understood that employees will comply with any such order.

Section 3.4 Lunch Periods:

Each day a lunch period of one (1) hour is allotted as currently practiced by each department to meet operational needs. It is assumed that an employee takes his/her lunch period each day.

Section 3.5 Overtime/Compensatory Time:

- A. Accrual: It is expected that all assignments can be accomplished during an employee's regularly scheduled work day. However, when operational needs require overtime work, such overtime is subject to the prior approval of the employee's supervisor.

Employees in the Office of the Public Defender, the Office of the Medical Examiner, and the Adoption and Family Supportive Services shall be eligible to earn compensatory time at a rate of one and half (1½) hours for every hour worked in excess of forty (40) hours in a work week.

In determining whether an employee is entitled to overtime pay, hours in which the employee is in pay status because of benefit (PTO) time use for FMLA shall not count toward the applicable threshold of hours worked.

- B. Involuntary overtime: When operational needs require, involuntary overtime assignments will be made if the Employer is unable to assign overtime work on a voluntary basis. Involuntary assignments will be made within the department on the basis of reverse seniority. Employees receiving involuntary overtime assignments will be eligible for compensatory time in accordance with provisions A and C of this Section.

- C. Use: Requests for use of compensatory time must be made as follows:

It is understood that circumstances may arise in which an employee is unable to meet the request time requirement. In the Employer's sole discretion in these situations, employees may be allowed used of compensatory time. Such approval will not be unreasonably withheld.

Amount of Compensatory Time

one day or less
2 to 3 days
more than 3 days

Request Period
(calendar days)

3 days
5 days
10 days

Section 3.6 Time Alternative:

Upon prior approval of the supervisor, an employee who performs overtime work may begin another workday later, or leave another workday earlier, to reflect an equal of time off as the overtime worked. Scheduling of this change in hours must be approved by the supervisor.

Section 3.7 Docking Provisions:

All regular, full time employees must account for the required number of hours in each workweek in order to receive the full salary and commensurate benefits. The accounting of the regular hours may be in the form of actual time worked and approved leave time, i.e., holidays and use of accrued vacation, personal, sick and compensatory time.

Time not worked due to late arrival, extended lunch break, or early departure will not count toward the required hours of the workweek. Unless the time not worked during the approved work hours is recovered through supervisor approved additional work generally in the same workweek, the employee will be docked for the time not worked.

The recovery of the lost time described above and the docking for hours not worked are not in lieu of the discipline process which will ensure when the work hours policy is not followed.

Section 3.8 Call Back Pay:

For the Office of the Public Defender and the Medical Examiner, an employee called in to work outside of his/her regularly scheduled shift shall receive a minimum of two (2) hours pay at the appropriate rate.

ARTICLE IV

Section 4.1 Probationary Periods:

After the date of this Agreement, the probationary period for a new employee, or an employee hired after a break in continuous service, shall be one (1) year. The probationary period may be extended for six (6) months following the initial probationary period. A probationary employee shall have no seniority and may be terminated at any time during the probationary period for any lawful reason, and shall have no recall rights or recourse to the grievance procedure with respect to any such discipline or discharge. For part time employees, seniority is an employee's pro-rated length of most recent continuous employment in a bargaining unit position in the office since his/her last hiring date less any time off

for a period exceeding thirty (30) calendar days.

For the purposes of layoff, ties in seniority shall be broken by using the employee's Cook County I.D. number, with the lowest employee number deemed to be more senior.

Section 4.3 Seniority List:

On January 1st and July 1st of each year, the Employer will furnish the Union a list showing the name, phone & Employee ID numbers address, classification and County and current department seniority dates of each employee. The Department Head/Designee shall post a similar list without employee addresses. The seniority list shall be posted in such reasonable locations as mutually agreed upon between the Employer and the Union. Within thirty (30) calendar days after the date of posting, an employee must notify the Department Head/Designee of any error in his/her County and current department seniority dates as it appears on that list or the information so furnished will be considered correct and binding on the employee and the Union until a subsequent list is furnished by the Department Head/Designee.

Section 4.4 Termination of Seniority:

Absence from work because of layoff or any other reason for twenty-four (24) months, for any employee with less than seven (7) years of service or for thirty-six (36) months for any employee with seven (7) or more years of service except that this provision shall not apply in the case of an employee on an approved leave of absence, or absent from work because of illness or injury covered by duty disability or ordinary disability benefits;
 - 4. Failure to report for work upon recall from lay off within ten (10) work days after notice to report for work is sent by registered or certified mail or by telegram, to the Employee's last address on file with the Personnel Department of the Employer;

 - 1. **Generic Step Therapy Program:**

Generic Step Therapy Program will be included in the County's prescription drug program. Where therapeutically appropriate, Generic Step Therapy will require employees to use up to two therapeutic generic alternatives in certain drug classes before the brand will be covered. Generic Step Therapy will apply only to a new prescription fill of targeted brand. Upon introduction of any new drug or drug class to the established step therapy program, the program requirements will only apply to new prescriptions fills as well. Employees whose physicians supply medical evidence explaining why a generic alternative is not appropriate, which after review is approved by the Pharmacy Benefit Manager (PBM), shall be exempt from the generic step therapy requirement.

Prior to implementation and upon request, a three month courtesy grace period can be provided to individual members for existing prescriptions.

2. Mandatory Maintenance Choice:

After two 30-day fills of a maintenance medication obtained at a retail pharmacy, maintenance medication must be refilled in a 90-day supply through mail-order or specified retail pharmacies. Maintenance medical is a prescription drug taken continuously to manage chronic or long-term conditions as determined by the plan. The maintenance medication list is maintained by the Pharmacy Benefits Manager (PBM).

Section 7.2 Sick Leave:

- A. All employees, other than seasonal employees, shall be granted sick leave with pay at the rate of 0.4616 days per pay period, in which an employee is in a pay-status for a minimum of five (5) days in a bi-weekly pay period. Accrued sick leave will carry over if employees change offices or Departments within the County as long as there is no break in service longer than

thirty (30) days.

- B. Sick leave may be accumulated to equal, but at no time to exceed, one hundred seventy-five (175) working days, at the rate of twelve (12) working days per year. Records of sick leave credit and use shall be maintained by each office, department, or institution. Severance of employment terminates all rights for the compensation hereunder. The amount of leave accumulated at the time when any sick leave begins shall be available in full, and additional leave shall continue to accrue while an employee is using that already accumulated.
- C. Sick leave may be used for illness, disability incidental to pregnancy, or non-job related injury to the employee; appointments with physicians, dentists, or other recognized practitioners; or for serious illness, disability, or injury, in the immediate family of the employee. After five (5) consecutive work days of absence due to illness, employees shall submit to their department head a doctor's certificate as proof of illness. For health related absences of less than five (5) consecutive days, a doctor's statement or proof of illness will not be required except in individual instances where the Employer has sufficient reason to suspect that the individual did not have a valid health reason for the absence. If indicated by the nature of a health related absence, examination by the Employer's physician may be required to make sure that the employee is physically fit for return to work. Accordingly, sick leave shall not be used as additional vacation leave. Sick leave may be used as maternity or paternity leave by employees.
- D. An employee who has been off duty for five (5) consecutive days or more for any health reason may be required to undergo examination by the Employer's physician before returning to work.
- E. If, in the opinion of the Employer, the health of an employee warrants prolonged absence from duty, the employee will be permitted to combine his/her vacation, sick leave and personal days.
- F. The employee may apply for disability under the rules and regulations established by the Retirement Board.

Section 7.3 Pension Plan:

Pension benefits for employees covered by this Agreement shall be as mandated under 40 ILCS 5.

Section 7.4 Disability Benefits:

Employees incurring any occupational illness or injury will be covered by Worker's Compensation Insurance benefits. Employees injured or sustaining occupational disease on duty, who are off work as result thereof shall be paid total temporary disability benefits pursuant to the Workers' Compensation Act. Duty disability and ordinary disability benefits also will be paid to employees who are participants in the County Employee Pension Plan. Duty disability benefits are paid to the employee by the Retirement Board when the employee is disabled while performing work duties. Benefits amount to seventy-five percent (75%) of the employee's salary at the time of injury, and begin the day after the date the salary stops. Ordinary disability occurs when a person becomes disabled due to any cause, other than injury on the job. An eligible employee who has applied for such disability compensation will be entitled to receive, on the thirty-first (31st) day following the disability, fifty percent (50%) of salary, less an amount equal to the sum deducted for all annuity purposes. The first thirty (30) consecutive days of ordinary disability are compensated for only by the use of any accumulated sick pay and/or vacation pay credits unless the employee and the

Employer otherwise agree. The employee will not be required to use sick time and/or vacation time for any day of duty or ordinary disability. All of the provisions of this Section are subject to change in conjunction with changes in State laws.

Effective FY 2019, County will offer a short-term disability product.

Section 7.5 Life Insurance:

All employees shall be provided with life insurance in an amount equal to the employee's annual salary (rounded to the next one thousand dollars (\$1,000)), at no cost to the employee, with the option to purchase additional insurance up to a maximum of the employee's annual salary. No life insurance shall be offered through the County's HMO plans.

Section 7.6 Dental Plan:

All employees shall be eligible to participate, at no cost to them, in the dental plan in accordance with Appendix C. No dental coverage shall be offered through the County's HMO plans.

Section 7.7 Vision Plan:

All employees shall be eligible to participate, at no cost to them, in the vision plan in accordance with Appendix C. No vision coverage shall be offered through the County's HMO plans.

Section 7.8 Hospitalization - New Hires:

All new employees covered by this Agreement shall be required to enroll in the County HMO plan of their choosing, such enrollment to be effective from the date of hire through the expiration of the first full health plan year following such date of hire.

Section 7.9 Flexible Benefits Plan:

All employees shall be eligible to participate, at no cost to them, in a flexible benefits plan to be established by the County. Such plan shall include segregated IRS accounts for child care and medical expenses.

Section 7.10 Union and County Meetings Respecting Health Care:

For the purpose of maintaining communications between labor and management in order to cooperatively discuss issues respecting health care coverage for all County employees, each Local Union, the County and members of bargaining units not covered by this Agreement shall meet quarterly through designated representatives. Each Local Union shall designate not more than one (1) representative to the Health Care/Management Committee. The County, through its Office of Risk Management, shall prepare and submit an agenda to the other parties at least one (1) week prior to the scheduled meeting, which agenda shall address, among other things, issues raised by each Local Union to the Office of Risk Management. The date and location for such meetings shall be established by the Office of Risk Management, taking into account the scheduling concerns of all County bargaining units.

Section 7.11 Insurance Coverage for Laid off Employees:

Employees on layoff status shall retain health and dental insurance coverage for a period of four (4) months following the month in which the effective date of the layoff occurs with the Employer paying the full premium, single or family plan as appropriate.

Section 7.12 Personal Support Program (PSP):

In addition to the County's Employee Assistance Program, coverage will begin for all AFSCME bargaining unit members and their dependents under the AFSCME Personal Support Program (PSP). Effective approval of this Agreement by the Cook County Board of Commissioners, the Employer

agrees to pay thirty-four dollars (\$34.00) per year, per AFSCME bargaining unit member to the AFSCME Benefit Plan and Trust to fund the PSP. Effective December 1, 2011, the Employer agrees to pay thirty-five dollars (\$35.00) per year, per AFSCME bargaining unit member to the AFSCME Benefit Plan and Trust to fund the PSP.

The Union and Cook County share a mutual interest in improving bargaining unit members' knowledge of available employee services. The parties therefore agree to work together to increase awareness by both bargaining unit members and supervisory employees of the opportunities for assistance offered by the PSP.

When making a supervisory referral to an employee assistance program, supervisors shall inform employees that AFSCME's PSP is an acceptable option.

Personal days may be used consecutively or in conjunction with other benefit days, excluding sick days with the approval of the department head/designee. Employees must complete the designated and appropriate form to the supervisor not less than five (5) working days prior to use. Section 9.13 Parental Leave:

All full-time Employees shall be eligible for paid time off as a result of the birth or adoption of a child ("Parental Leave") under the following conditions. To be eligible for Parental Leave an employee must apply for and be determined to be eligible for FMLA (Family and Medical Leave Act) leave. If an employee has FMLA coverage at the time he or she requests Parental Leave, and has utilized some or all of the allotted 480 hours of FMLA coverage, the employee will nevertheless be entitled to Parental Leave pursuant to all other provisions of this section and provided that the employee submits an FMLA certification form to support the request for Parental Leave.

Eligible employees are entitled to receive the following Parental Leave:

However, employees cannot use Parental Leave prior to the date of birth/adoption and must use Parental Leave in a continuous block of time beginning on the day of birth or adoption. An employee who qualifies for Parental Leave may be entitled to additional time off pursuant to the FMLA. Health insurance benefits for an employee receiving Parental Leave shall be maintained and administered under the same conditions as for an employee covered by FMLA.

Parental Leave shall be considered an alternative to Maternity or Paternity Leave under Section 10.4 and an employee who chooses Parental Leave will not be eligible for additional Maternity or Paternity Leave.

Section 9.14 Family Responsibility Leave:

In addition to Maternity/Paternity Leave (Article 9 Section 12) and/or Parental Leave (Article 9 Section 13), an employee who has at least two (2) years of service and has a need to be absent from work to meet family responsibilities arising from the employee's role in his/her family or household may, upon request and for good cause shown, be granted a leave of absence for a period not to exceed a total of six (6) months (increasing up to one (1) year for those employees who have accrued personal leave entitling them to more time under current County policy) without pay. ARTICLE X
DISCIPLINE PROCEDURES

Section 10.1 Use of Discipline:

The Employer has the right to discipline employees. The Employer may only impose the types of discipline listed in Section 2 of this Article. Although discipline shall normally be progressive and corrective, the Employer need not apply these types of discipline in sequence, but rather base the type of discipline to fit the severity of the offense and/or infraction involved. The Employer may only discipline an employee for just cause.

Section 10.2 Types of Discipline:

- A. The Employer may only impose the following types of discipline:
 - 1. Verbal Reprimand;
 - 2. Written Reprimand;
 - 3. Suspension; or
 - 4. Discharge.
- B. An employee shall not be demoted for disciplinary reasons. However, a demotion may occur in conjunction with disciplinary action when individual circumstances warrant.
- C. Discipline shall be imposed in a timely manner.
- D. Suspensions shall be capped at 30 days.

Section 10.3 Investigatory Meeting/Right to Union Representation:

The Employer shall notify the Union as well as the employee of such meeting and the reason for the meeting.

The Employer shall inform the employee of the right to Union representation prior to any meeting with the employee at which discipline is to be imposed. The employee shall be given an opportunity, if so desired, to notify the Union of said meeting.

The Employer may, but is not required to, conduct an investigatory meeting with the employee who is the subject of the investigation. If an investigatory meeting is conducted, any employee who is the subject of the investigation or reasonably believes that he/she may receive disciplinary action as a result of such meeting shall be entitled to Union representation upon request.

Section 10.4 Pre-disciplinary Meeting:

- A. **Purpose:** Prior to the imposition of suspension or discharge, the Department Head/Designee shall convene a pre-disciplinary meeting. The Department Head/Designee shall meet with the employee and his/her union representative should the employee request such representation, to discuss the circumstances giving rise to the contemplated discipline. The Department Head/Designee, after presenting all known evidence and reasons for disciplinary action, will afford the employee an opportunity to rebut any evidence or charges against him/her.
- B. **Representation:** The employee is entitled to have a Union representative present at the pre-disciplinary meeting if the employee so requests. If the employee does not request Union representation, a Union representative shall nevertheless be allowed to be present as a non-active participant.
- C. **Extensions:** Reasonable requests for extensions of time for rebuttal purposes may be allowed by the Department Head/Designee.
- D. **Notices:** The Department Head/Designee will notify the employee of the date of the Pre-Disciplinary meeting. Not less than two (2) working days prior to the meeting date, the Department Head/Designee will provide the employee and the Union with the date, time and location of the meeting, the reason(s) for the contemplated disciplinary action, and the names of relevant witnesses and copies of pertinent documents.

Section 10.5 Verbal and Written Reprimands:

In cases of verbal and written reprimands, the Department Head/Designee must inform the employee that he/she is receiving an oral or written reprimand and of his/her right to Union representation, which shall only be provided if so requested. The Union shall be given notice of such discipline. The employee shall also be given reason(s) for such discipline, including the names of witnesses and copies of pertinent documents. A written notation of the oral reprimand or the written reprimand itself shall be placed in the employee's personnel file. Removal of such notation or reprimand shall only be done in accordance with Section 10.7 of this Article.

Section 10.6 Notification of Disciplinary Action:

In the event that disciplinary action is imposed, the Employer shall promptly furnish the employee and the Union a clear and concise written statement describing the discipline and the reasons for such discipline. Once discipline is imposed it shall not be increased.

Section 10.7 Removal of Discipline:

Oral reprimands will be purged from an employee's records if the employee is free from the same or similar offense for twelve (12) consecutive months.

Written reprimands will be purged from an employee's record if the employee is free from the same or similar offense for eighteen (18) consecutive months. Although suspensions shall not be expunged from an employee's record despite the passage of time, the time which has elapsed since such discipline was imposed as well as any subsequent discipline will be taken into consideration in determining the current level of discipline to be administered.

Section 10.8 Temporary Suspension:

When the Employer believes that the presence of an employee is dangerous or may result in the disruption of operations or when the employee's alleged actions may result in a violation of the Rules of Professional Conduct and/or criminal charges are filed and pending against an employee, that employee may be placed on temporary suspension. Temporary suspension shall only last up to forty-five (45) calendar days for actions not involving criminal charges. Where criminal charges are pending against the employee, temporary suspension will last until resolution of the criminal charges or for the period of time in which the Employer conducts a reasonable investigation and determination of the matter.

The first fourteen (14) calendar days of temporary suspension shall be without pay. An employee may use accrued vacation, personal and compensatory time after the first fourteen (14) days of temporary suspension has elapsed.

If no disciplinary action is issued by the Employer, the employee shall be reinstated, reimbursed for lost salary and accrued leave and the record of the temporary suspension shall be removed from the personnel file. If the length of the temporary suspension exceeds the disciplinary action given, the employee shall be reimbursed for the difference in salary and accrued leave.

If the employee is placed on a temporary suspension exceeding forty five (45) days, that employee may file a grievance for the sole purpose of determining whether continued temporary suspension is reasonable.

Resolution of this grievance shall not waive an employee's right to grieve any discipline ultimately issued.

ARTICLE XI **GRIEVANCE PROCEDURES**

Section 11.1 Policy:

The provisions of this Article supplement and modify the provisions of the County's Grievance Procedure applicable to all employees. All employees shall have the right to file a grievance and shall be assured freedom from coercion, restraint or reprisal.

Section 11.2 Definition:

A grievance is a difference between an employee or the Union and the Employer with respect to the interpretation or application of, or compliance with, the agreed upon provisions of the Agreement, the Employer's rules and regulations or disciplinary action. The Union will send a copy of grievance(s) appealed or submitted at Steps Two (2) and Three (3) to the respective Department Head or their Designee.

All grievances shall be in writing and contain a statement of the facts, the provision(s) of the agreement which the Employer is alleged to have violated, and the relief requested. Failure to provide all of the above shall not be grounds for denial of the grievance.

A dispute between an employee (and his/her covered dependent) and the processor of claims shall not be subject to the grievance procedure provided for in this Agreement. Employees shall continue to be afforded an opportunity to present appeals of such insurance disputes to the County in person, and may have union representation at such proceedings. The County will endeavor to resolve such disputes with the processor of claims.

Section 11.3 Representation:

Only the aggrieved employee(s) and/or representatives of the union may present grievances. Employees may take up grievances through Steps One (1) to Four (4) either on their own and individually or with representation, any resolution of the grievance shall be consistent with this Agreement and the Union representative shall have the right to be present at such resolution. A grievance relating to all or a substantial number of employees or to the Union's own interests or rights with the Employer may be initiated at Step Two (2) or Step Three (3) by mutual agreement. All employees involved in a grievance must be named by Step Two (2).

Section 11.4 Grievance Procedure Steps:

The steps and time limits as provided in the Employer's Grievance Procedure are as follows:

PUBLIC DEFENDER, MEDICAL EXAMINER AND A.F.S.S. SUBMISSION TIME:

<u>STEP:</u>	<u>LIMIT THIS STEP:</u> (Calendar Days)	<u>TO WHOM</u> <u>SUBMITTED:</u>	<u>TIME LIMITS MEETING</u> (WK. Days)	<u>RESPONSE</u> (WK. Days)
1	21	Imm. Suprv/Deputy Of Admin. (Public Def.)	10	10
2	10	Public Def., M.E. Office, A.F.S.S./Designee	15	15
3	20	Employer/Designee	15	15
4	30	Impartial Third Party	30	30

Section 11.5 Time Limits:

Time limits may be extended by mutual agreement in writing between the employee and/or the Union and the Employer.

Section 11.6 Stewards:

The Union will advise the Department Head/Designee in writing of the names of the Stewards in each worksite and shall notify the Department Head/Designee promptly of any changes. Stewards will be permitted to handle and process grievance procedure during normal hours without a loss of pay, provided that such activity shall not exceed a reasonable period of time, and shall not interfere with their work performance. On each occasion, stewards will obtain approval from their Department Head/Designee before leaving their work assignment or area. Such approval will not be unreasonably withheld. Stewards will only handle grievances at their own work location. In the event a work location does not have a steward, a steward from the worksite closest to the grievance location will process the grievance.

After giving appropriate notice to their supervisor outside the bargaining unit, employees shall be allowed two (2) days with pay to attend certified stewards training, if such attendance does not substantially interfere with the Employer's operations. Such training shall not exceed two (2) work days for each steward who has not previously attended training. The Union shall provide proof of attendance.

Section 11.7 Union Representatives:

Duly authorized business representatives of the Union will be permitted at reasonable times to enter the appropriate County facility for purposes of handling grievances or observing conditions under which employees are working. These business representatives will be identified to the Department Head/Designee in a manner suitable to the Department Head/Designee and on each occasion will first secure the approval of the Department Head/Designee to enter and conduct their business so as not to interfere with the operation of the Department. Such right of entry shall at all times be subject to general Departmental rules applicable to non-employees.

Section 11.8 Impartial Arbitration:

If the Union is not satisfied with the Step Three (3) answer, it may within thirty (30) days after receipt of the Step Three (3) answer submit in writing to the Employer/Designee notice that the grievance is to enter impartial arbitration. If the two parties fail to reach agreement on an Arbitrator within ten (10) days, the Employer Designee and Union may request the Local Labor Relations Board, American Arbitration Association or the Federal Mediation and Conciliation Service to provide a panel of arbitrators. Each of the two (2) parties will confer within seven (7) days of receipt of the panel to alternatively strike one (1) name at a time from the panel until only one (1) shall remain. The remaining name shall be the Arbitrator. The Union and the Department Head/Designee will make arrangements with the Arbitrator to hear and decide the grievance without unreasonable delay. The decision of the Arbitrator shall be binding.

Expenses for the Arbitrator's services and the expenses which are common to both parties to the arbitration shall be borne equally by the Employer and the Union. Each party to an arbitration proceeding shall be responsible for compensating its own representative and witnesses.

If an arbitration date is postponed, the party (Union or Employer) responsible for the postponement shall also be responsible for the arbitrator's charges in connection with the postponement. In the event the grievance is resolved, the parties shall split the arbitrator's cancellation fee.

The Arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. The issue or issues to be decided will be limited to those presented to the Arbitrator in writing by the Department Head/Designee and the Union. Such issues will be confined to those brought up at the previous disposition. All other issues are waived. His/her decision must be based solely upon his interpretation of the meaning or application of the express relevant language of the Agreement.

The decision of the Arbitrator made in compliance with the foregoing shall be final, shall be in writing, shall include the reasons for each finding and conclusion, and shall be rendered within thirty (30) days following the date of the last hearing conducted by the Arbitrator unless an extension of such period is agreed to by the Employer and the Union.

Section 11.9 Impartial Arbitration Panel:

The Union and the Employer shall meet within thirty (30) days after the effective date of this agreement for the purpose of selecting a permanent panel of seven (7) arbitrators. The arbitrators shall be selected on a rotating basis. Either party shall have the authority to strike an arbitrator from the permanent panel at any time. The struck arbitrator will proceed on the cases currently assigned, but will not receive any new case assignments. In the event that an arbitrator is struck from the panel the parties shall meet as soon as possible to choose a mutually agreed upon replacement. Nothing herein shall prevent the parties, by mutual agreement, from selecting an arbitrator from outside the panel. Absent such mutual agreement, the arbitrator shall be selected from the panel in accordance with the above procedure.

Section 11.10 Meetings:

At each step of the grievance procedure, the appropriate Employer representative shall meet in accordance with the time limits. The primary purpose of the meetings shall be for the purpose of attempting to resolve the grievance. The Employer representative shall be willing, and shall have the authority needed to engage in meaningful discussion for the purpose of resolving the grievance. There shall be no tape recording of any grievance meetings except by mutual agreement. When the meeting does not result in a resolution of the grievance, the Employer representative shall respond to the Union, in writing, within the time limits provided herein.

A Committee shall be established where the Employer and the Union shall meet to explore ways to improve the effectiveness of the Grievance Procedure. An equal number of Employer and Union representatives shall serve on said Committee. In the case of Cook County, the Committee shall not contain more than eight (8) appointees from each party and in the case of the other employers, no more than five (5) appointees from each party.

The Employer and Union representatives to this Committee shall have the authority to reach agreement on behalf of the parties they represent.

Section 11.11 Advance Step Filing:

Where the authority to resolve grievances does not exist, the preliminary steps of the grievance procedure, grievances may be filed by the Union at the appropriate advanced step. The determination of where the authority exists to resolve grievances shall be made by the Employer.

Section 11.12 Expedited Arbitration:

The parties may mutually agree that a grievance shall be submitted to expedited arbitration. If the parties agree to expedited arbitration, the following provisions of this paragraph shall apply. Immediately upon notification of the designated arbitrator, the parties shall arrange a place and date to conduct a hearing within a period of no more than thirty (30) calendar days, unless the parties agree to a longer period. If the designated arbitrator is not available to conduct a hearing within the thirty (30) calendar days and the parties do not otherwise agree to a longer period, the next panel member in the rotation shall be notified until an available arbitrator is obtained. Nothing herein precludes multiple cases being heard on the same day before the same arbitrator.

The hearing shall be conducted under the following procedures:

- a. the hearing shall be informal;

Such decision shall be based on the evidence before the arbitrator and shall include a brief written explanation of the basis for such conclusion. Any arbitrator who issues a bench decision shall furnish a written copy of the award to the parties within seven (7) calendar days of the close of the hearing.

The decision of the arbitrator shall be final and binding, except that it shall not be regarded as precedent or be cited in any future proceeding.

The parties further agree to increase the number of arbitrators on the panel to twelve (12).

The parties shall develop a process by which the procedure shall function as provided herein no later than sixty (60) days after the date of ratification.

CONTINUITY OF OPERATION

Section 12.1 No Strike:

The Union will not cause or permit its members to cause, and will not sanction in any way, any work stoppage, strike, picketing or slowdown of any kind or for any reason, or the honoring of any picket line or other curtailment, restriction or interference with any of the Employer's

functions or operations; and no employee will participate in any such activities during the term of this Agreement or any extension thereof.

Section 12.2 Union Responsibility:

Should any activity prescribed in Section 12.1 of this Article occur, which the union has or has not sanctioned, the Union shall immediately:

- a. Publicly disavow such action by the employees or other persons involved;
- b. Advise the Employer in writing that such action has not been caused or sanctioned by the Union;
- c. Notify the employees stating that it disapproves of such action and instructing all employees to cease such action and return to work immediately; and
- d. Take such other steps as are reasonably appropriate to bring about observance of the provisions of this Article, including compliance with reasonable requests of the Employer to accomplish this end.

Section 12.3 Discharge of Violators:

The Employer shall have the right to discharge or otherwise discipline any or all employees who violate any of the provisions of this Article. In such event, the employee or employees, or the Union on their behalf, shall have no recourse to the grievance procedure, except for the sole purpose of determining whether an employee or employees participated in the action prohibited by this Article. If it is determined that an employee did so participate, the disciplinary action taken by the Employer may not be disturbed.

The Employer agrees that it will not lock out its employees during the term of this Agreement or any extension thereof.

Section 12.5 Reservation of Rights:

ARTICLE XIII
FILLING OF VACANCIES

Section 13.1 Policy:

Each department will post new positions electronically, if possible, and at all work sites for a period of ten (10) work days. Such posting shall state the grade, assignment and skills required for the posted position and that the position is in a bargaining unit represented by AFSCME Council 31, followed by the Local Union number.

The employer will continue to work toward a reasonable transition to an all-electronic posting system when available. Such a system shall include provisions for reasonable access for all employees.

Section 13.2 Transfer and Promotions - Office of the Public Defender:

When the Public Defender deems a position vacant, notice of such vacancy shall be posted electronically, if possible, and at all work sites and shall identify the work site, classification, duties and grade. Each notice of vacancy shall remain posted for a period of fourteen (14) business days. Only those employees who submit bids for specific posted vacancies during the posting period shall be eligible to fill the vacancy. Applications for one posting shall not carry over to other posting.

The Employer will provide the Union with the list of bidders and their seniority date and identify the successful bidder(s) as vacancies are filled.

The Employer shall provide a current list to the Union of all budgeted positions that currently exist and on each occasion that a newly budgeted position is created, the Union shall receive same.

The employer will continue to work toward a reasonable transition to an all-electronic posting system when available. Such a system shall include provisions for reasonable access for all employees.

Section 13.3 Priority:

Office of the Medical Examiner and the office of the Adoption and Child Custody Advocacy:
Vacancies shall be filled in the following priority:

1. Promotion/transfer within the department
2. Recall from layoff within the department
3. Applicants from outside the bargaining unit

Promotion and transfer applicants have identical priority and will be considered equally for the filling of vacancies.

Bargaining unit members must be in a position for at least six (6) months to be eligible for a promotion/transfer.

Office of the Public Defender:

Vacancies shall be filled in the following priority:

1. Transfer
2. Recall from layoff within the Department
3. Promotion
4. Application from outside the bargaining unit

A. Transfer Unit/Promotion:

For the Office of the Public Defender, when filling a vacancy through transfer the most senior qualified applicant will be selected.

For the Office of the Public Defender, the Office of the Medical Examiner, and the Adoption and Child Custody Advocacy, when filling a vacancy through promotion the most qualified applicant will be selected; in event qualifications are relatively equal, seniority will control.

B. Testing:

When tests are required, bidders will be eligible to be tested either at the time the vacancy occurs or on a semi-annual basis, at the discretion of the individual department. An applicant may use previous test results from another bid if applicable. However, test results are good for one (1) year after which time the applicant must be retested. All applicants will be given similar tests for the same position in the department. The employee shall be furnished with a copy of his/her test scores. A copy shall also be furnished to the Union, upon request.

C. Interview:

Some positions may require an interview. Responses to only job related questions shall be considered.

D. Filling of Vacancy Criteria:

Vacancies will be filled by the most qualified applicant based on the totality of the following: skill tests, expertise in the particular area, performance appraisal, education, employment history and when applicable the interview. All bargaining unit members of Local 1767 who meet the qualifications for a vacant position and who apply for a promotion/transfer will be considered.

The Employer agrees that the filling of vacancies will not be made in an arbitrary or capricious manner or in bad faith.

For the Office of the Medical Examiner in the event candidates perform substantially similar in all areas, seniority will be determinative.

E. Transfer of Stewards:

Employees acting as Union stewards shall not be transferred from their job classification or department because of their activities on behalf of the Union. For any transfers of Union stewards from their job classification or department, other than in an emergency, the Union will be notified in advance of such transfer.

Section 13.4 Reduction in Work Force:

Should it become necessary to decrease the number of employees within a job classification, the employees in the classification shall be removed from it in inverse order of seniority. The affected employees and the Union shall be given notice thereof at least thirty (30) days prior to the effective date. In the event there is an elimination of positions within any classification, the position eliminated will be identified. The least senior employee displaced in a work location shall be placed in the position of at least senior employee in the classification in the bargaining unit. However, a Local 1767 member in the Public Defender's Office, the Medical Examiner's Office or the Adoption and Child Custody Advocacy Office may only bump a less senior employee in his or her respective office.

An employee may, in lieu of bumping to a position outside of the employee's work site, choose to be placed in vacant position in the next lower classification at his/her work site.

The least senior employee displaced in the classification in the bargaining unit shall be offered the position of the least senior employee in a lower classification in the classification series, in accordance with the seniority provisions of this Agreement. Employees, who have previously served in a classification outside their classification series, shall also be offered the right to displace the least senior employee in that classification.

Vacant Positions: In the event there are not enough such openings, the employee will be offered positions under the Employer – the Office of the President in any other classification within the jurisdiction of the local union in which there is a vacancy. In the event there are not vacancies within the jurisdiction of the local union, employees will be offered any other vacancies under the jurisdiction of the Employer, provided that, for all purposes under the Section, the vacancy is in an AFSCME-represented classification or is a vacancy under the Office of the President within AFSCME (excluding 3696-Public Defenders office only), such vacancies will be offered in seniority order, the employee possesses the ability and fitness to perform the job and the vacancy is in a classification equal to or lower rated than the one from which the employee is laid off. Where the Employer is obligated to fill positions outside the laid off employee's local union jurisdiction pursuant to applicable collective bargaining agreements, such positions shall not be considered vacancies for the purposes of this paragraph.

Employees not having rights to any job in their current classification or another classification shall be considered laid off.

Employees laid off, including employees placed in a lower paying position and probationary employees, as a result of this procedure, shall be subject to recall in accordance with the recall provisions of this Agreement before hiring new employees. Employees will be recalled to the classification held by them at the time a decrease in the work force is first put into effect, if a vacancy exists. Employees otherwise will be recalled to a vacancy in another classification prior to the decrease in the work force, all in accordance with the seniority provisions of this Agreement. For the purposes of layoff, ties in seniority shall be broken by using the employee's Cook County I.D. number.

In the event of a layoff, or pending layoff, the parties shall discuss the need for retraining employees in order for such employees to qualify for other positions.

All the above is conditioned upon the employee's ability and fitness to perform the job.

ARTICLE XIV

The Employer shall endeavor to provide a safe and healthful work environment for all employees. The Employer agrees to comply with all applicable state and federal laws. The parties shall share information adequately and fully in order to assure that health and safety issues are adequately addressed. Section 14.3 Video Display Terminals:

The Employer and the Union will attempt to keep current with monitoring studies and reports on the effects, if any, of video display terminals ("VDTs") and their effect on the health and safety of the operators.

The Employer agrees that employees who operate VDTs will be granted fifteen (15) minute breaks away from the screen in the first and second half of their shifts. For those employees who already receive two (2) fifteen (15) minute breaks, this provision is not in addition to those breaks currently granted. Pregnant employees who are nursing and who regularly operate VDTs may request an adjustment, temporary transfer, or other change in their assignment, if such adjustment or change can reasonably be made and is consistent with the Employer's operating needs. Once the employee is no longer pregnant or nursing, the employee shall be allowed to return to her original position if available.

Section 14.4 Communicable Diseases:

The Employer and the Union are committed to taking reasonable necessary steps to limit and/or prevent the spread of communicable diseases in the workplace. Therefore, generally, the Employer agrees as follows:

- B. To make professional medical counseling available to any employee who has reason to believe that she/he has become infected with TB, HIV or Hepatitis during the course of his/her employment.
- C. The Employer shall make available to the employee who has occupational exposure during the course of his/her employment to blood or body substance, a Hepatitis B vaccine at no cost to the employee. The Cook County Department of Public Health will continue to offer flu vaccines in accordance with prior policy. A TB screening will be provided to employees who can demonstrate reasonable cause to believe they were placed at risk to TB during work.

Specific concerns relating to the health and safety of employees may be referred to the applicable health and safety committee or subcommittee.

Said committee(s) shall share necessary and relevant information, so long as it is not privileged, and shall develop comprehensive policy/policies to be applied to specific work places. The Employer shall provide access to experts in the area of communicable diseases, as necessary for the committee(s) to develop and implement the policy/policies. Such experts and their participation shall be mutually agreed upon.

ARTICLE XV

EDUCATIONAL BENEFITS

Section 15.1 Educational Funds:

The Employer agrees to allocate funds for education purposes in each year of the Agreement to be made available to all AFSCME Council 31 bargaining unit employees. The amount allocated shall be an aggregate total of forty thousand dollars (\$40,000) for all AFSCME Council 31 bargaining units. Employees' requests for such funds shall be for reimbursement for the costs of courses offered through any certified educational institution, including community colleges, continuing adult education, and other training or technical institution. Such coursework shall be employment related. An employee may request funds up to an amount no greater than five hundred fifty dollars (\$550.00) in a fiscal year. with training and promotional opportunities through the establishment of an Upward Mobility Program.

In order to assist the parties in achieving the goals set forth above, an Advisory Committee comprised of an equal number of representatives from the Union and the Employer shall be established. The Committee's mission shall be to develop recommendations regarding the Program, including which job classifications are appropriate for training programs, the publicity and counseling efforts necessary for implementation, and the potential providers of services.

Targeted job classifications may be within any existing AFSCME bargaining unit or may be classifications which represent a bridge to career advancement outside any AFSCME bargaining unit for AFSCME bargaining unit employees.

Section 16.2 Sub-Committee on Advancements:

It shall be the goal of the sub-committee, in accordance with the provisions of the Upward Mobility Program, to explore ways to enhance the ability of Investigator I's and II's to qualify for advancement.

**ARTICLE XVII
JOB CLASSIFICATIONS**

Section 17.1 Classification Review Committee/Job Audits:

Within thirty (30) days from the effective date of this Agreement, the parties shall begin regular meetings of a joint committee that shall be established to discuss current job titles and pay grades of bargaining unit employees.

The committee shall begin meeting each year to review Union and employee-generated requests for upgrades and reclassifications. Such review shall include requests for individual desk audits, and sample desk audits to be applied to whole departments. The committee shall devote sufficient time in order to complete its discussions in a timely fashion. In any case, audits agreed upon shall be completed no later than June 1st of each year. During such process, there will be a free exchange of information and the parties will make reasonable attempts to review those requests which appear to have the most merit using objective and fair standards. After the review and analysis is completed, the County will submit the Committee's findings to the appropriate departments and elected officials for their review. The decision as to whether to include any or all of the upgrades and reclassifications in budget requests shall be made using objective and fair standards.

The County acknowledges an obligation to pay employees in their proper classification and grade. In a case where an employee claims to be misclassified the parties shall determine how to proceed. For the purpose of calculation of payment, assignments of one-half (1/2) day or more shall be considered a full day. The Employer will equitably rotate such assignments on the basis of seniority among the employees at the work location who have the ability to do the job. The Employer shall not rotate employees in order to circumvent the payment provisions of this section.

Employees paid for acting in a higher-rated job shall be paid as if they had been promoted to the higher-rated job. Employees assigned to an equal or lower-rated position shall be paid their proper permanent classification rate.

The maximum time that a position may be filled through temporary assignment shall be four (4) months, except where the regular incumbent is on a leave of absence, in which case it shall six (6) months, after which time the Employer shall either discontinue the assignment or post the position as a vacancy. The time limits may be extended by mutual agreement of the Employer and the Union.

No employee shall be discriminated against on the basis of race, color, sex, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, political affiliation and/or beliefs, or activity or non-activity on behalf of the Union. The Employer may take all steps necessary to comply with the ADA. Any such steps which might conflict with the terms of this Agreement shall be discussed with the Union prior to implementation. The parties shall cooperate in resolving potential conflicts between the Employer's obligation under the ADA and the rights of the Union. Neither party shall unreasonably withhold its consent to the reasonable accommodation of an employee.

The Employer will make a bulletin board available for the use of the Union in non-public locations at all major worksites. The Union will be permitted to have posted on these bulletin boards notices of a non-controversial nature. The items posted shall not be political, partisan or defamatory in nature.

Section 18.4 Partial Invalidity:

In the event any of the provisions of this Agreement shall be or become invalid or unenforceable by reason of any Federal or State laws or local ordinance now existing or hereinafter enacted, such invalidity or unenforceable shall not affect the remainder of the provisions hereof. The parties agree to meet and adopt revised provisions which would be in conformity with the law.

Section 18.5 Courses and Conferences:

In recognition of the value of continuing education for both the professional development of employees and the quality and reputation of the Office, the Employer may approve employees' requests to attend courses and conferences related to the employee's work and may reimburse any reasonable costs subject to staffing and budgetary considerations. In all other instances, the Employer will notify the union, in writing, at least five (5) months prior to the commencement of subcontracting of bargaining unit work.

The Employer agrees that, at least thirty (30) days prior to the issuance of public notice for bids to subcontract any work request, for the purpose of discussing the reason(s) for subcontracting and proposing alternatives to the contemplated subcontracting. The Employer shall provide the Union, upon request, reasonably available and substantially pertinent information, including a cost comparison of the expenses the Employer projects it will incur over the term of the contract if the Employer continued to perform such services using bargaining unit employees compared to the expenses the Employer projects if a third party performed such services. Where the subcontracting is for reasons of efficiency, the Employer shall provide the Union, upon request, with information supporting the contention that the subcontracting is more efficient. The provision of information to the Union, or scheduling of meeting(s) at the request of the Union, pursuant to this paragraph shall not unreasonably delay the subcontracting process.

The purpose of the recording medium, GPS, or AVL is to ensure the safe and efficient use of County resources and not for the sole purpose of disciplining its employees. However, the recording, GPS, or AVL may be used in support of discipline. If evidence of alleged employee misconduct obtained through the use of video, GPS or AVL equipment is used by the Employer to support employee discipline, the Union will be allowed the opportunity to view said evidence prior to the imposition of discipline, except in an emergency, and be afforded an appropriate time for rebuttal. Except where precluded by applicable confidentiality limitations, the Union customarily will be provided with a copy of the evidence.

The Union shall be allowed to review the recording medium, GPS, and/or AVL equipment.

The GPS, AVL, and/or recording medium shall not be used in a discriminatory or harassing manner.

SIDE LETTER OF AGREEMENT

BETWEEN

COOK COUNTY

AND

AFSCME COUNCIL 31

WELFARE TO WORK PROGRAM

1. Welfare recipients and participants in welfare to work initiatives will not displace or replace regular employees. For example, if there are ten (10) Clerk III's and five (5) welfare recipients and participants in welfare to work initiatives, and two (2) Clerk III's retire, the Employer will not replace the two (2) regular vacant positions with two (2) additional welfare recipients and participants in welfare to work initiatives raising their number to seven (7). This policy, however, does not require the Employer to fill vacancies which they desire to keep vacant.
2. Bargaining unit work that constitutes the normal duties and responsibilities of regular employees on current payroll will not be removed and reassigned to Welfare recipients and participants in welfare to work initiatives.
